legislation currently pending before the Council of the  
District of Columbia.

I appreciate your interest in the affairs of the  
city. I will certainly keep your views in mind when the  
Council considers this issue.

Sincerely,

Julius W. Hobson

WASHINGTON, D. C. 20008

January 17, 1976

Mr. Julius W. Hobson, Sr., Council Member  
At-Large District of Columbia  
Washington, D. C.

Dear Council Member Hobson, Sr.:

The members of the Cleveland Park Citizens Association urgently request you to appear at the Hearing on Proposed Massage Parlor Bills 1-195 and 1-203 in Room 500 of the District Building on January 22, 1976. We seriously doubt that you will be called upon during your tenure of office to consider any legislation of greater importance to the welfare and future of the city and its people.

This Association believes the two bills are weak as now written. However, we support whole-heartedly such legislation to regulate massage parlors and their existence in the District of Columbia as it has been amended and will be presented at the Hearing by the Concerned Citizens for a Better District. Such a bill if passed by your Council would not only control the parlors already in existence, but also be a great deterrent to any new ones trying to move into the District of Columbia.

The Cleveland Park Citizens Association boundaries extend roughly from Albemarle Street to Calvert Street, and from Rock Creek Park to 34th Street and Reno Road.

Sincerely Yours,

  
Homer J. McConnell, President  
Cleveland Park Citizens Ass'n
